

PRECAUTIONARY STATEMENTS HAZARDS TO HUMAN & DOMESTIC ANIMALS & AQUATIC LIFE

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do NOT induce vomiting. Call a physician immediately.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After space spraying in plants, bakeries, and other food processing plants, wash with potable water all equipment, benches, shelving, etc., where exposed food will be handled. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. In hospitals, if used in patient rooms, remove patients before spraying, then completely ventilate the room before returning the patients.

Remove pets and birds, and cover fish, etc., prior to spraying.

Do not spray near food or feed.

DIRECTIONS FOR USE

For use in homes, restaurants, hotels, etc., and in commercial food handling facilities.

STORAGE AND DISPOSAL

Do not mix with water, food, or feed. Store in original container.
