**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING:**

**HARMFUL IF SWALLOWED OR ABSORBED  
THROUGH SKIN, CAUSES IRRITATION.**

Do not get in eyes, on skin or on clothing. Avoid prolonged breathing of vapor. Wash thoroughly after handling.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and wildlife. Do not contaminate any body of water. Do not apply directly to water.

Do not apply when weather conditions favor drift from areas treated. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use, pour, spill or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Do not expose to extreme temperatures. Do not stack more than five drums high. Drums should be opened in well-ventilated areas. Leaking or damaged drums should be placed in overpack drums for disposal. Spills should be absorbed in sawdust or sand and disposed of in a sanitary landfill. Keep container closed when not in use. Do not store near fertilizers, seeds, insecticides or fungicides.

**PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative to your EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**VEGETATION KILLER CONCENTRATE**

**ACTIVE INGREDIENTS:**

Petroleum Oil	86.98%
2,4-Dichlorophenoxyacetic acid, isooctylester*	4.32
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	2.39
<b>INERT INGREDIENTS:</b>	6.31

**TOTAL** 100.00%

\*2,4 Dichlorophenoxyacetic acid equivalent 2.87%

E.P.A. REG. NO. 8123-103  
E.P.A. EST. NO. 8123-IL-1

**KEEP OUT OF REACH OF CHILDREN  
WARNING:**

In case of contact, flush with large amounts of water; for eyes, get medical attention. Remove and wash contaminated clothing before reuse. Wash thoroughly after handling.

If Swallowed: Drink a large amount of milk or water. Do not induce vomiting because of aspiration hazard. Call a physician immediately.

If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated.

This product should not be applied directly but should be diluted by adding 10 gallons of the concentrate to 33.5 gallons of phytotoxic oil vehicle and mix thoroughly. To control most weeds and grasses for extended periods on non-cropland areas such as industrial plant sites, parking lots, loading ramps and around storage buildings and similar non-crop areas apply 1.5 to 7 gallons per 1000 square feet of diluted liquid after the most predominant weeds have emerged. Thoroughly wet weeds to point of run off. No agitation is required. The diluted liquid can be applied with standard spray equipment. For treating small areas, a tank type hand sprayer or sprinkling can may be used. Apply when weeds are young and actively growing.

**NOTE:** Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of this concentrate in their particular area.

**IMPORTANT:** Do not apply directly to, or otherwise permit this concentrate or its diluted form to contact susceptible plants as this product may injure cotton, beans, peas, grapes, flowers, fruit trees, ornamentals, or other desirable plants. Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Do not apply to areas underlaid by roots of desirable trees and shrubs. Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Do not reuse this container.
