Canberra Corporation 3610 Holland-Sylvania Road Toledo, OH 43615

Attention: John Wiegand

Director, Research & Development

Gentlemen:

Subject: Super Husky Toilet Bowl Cleaner

EPA Registration No. 8155-3

Your Submission Dated June 22, 1988

The additional efficacy data submitted June 22, 1988 have been evaluated and the results show satisfactory performance of the product as a hospital/general disinfectant against Pseudomonas aeruginosa at a 1:3 dilution in the presence of 5% horse serum on hard, nonporous surfaces at a contact time of 10 minutes. Therefore, your request to amend this registration to include this additional claim is acceptable provided that you:

- 1. Make the following revisions before you release the product for shipment bearing the amended labeling:
 - a. Place "Keep Out of Reach of Children" immediately above the signal word "DANGER" on the front panel.
 - Revise the front panel referral statement to read "See practical treatment (or Statement of Practical Treatment) and additional precautionary statements on reverse side. *
- c. On the back panel, revise "First Aid" to read "Practical Treatment" or "Statement of Practical Treatment."
 - d. The word POISON must be in red.
 - 2. Submit the final printed labeling for inclusion in the product file.
