

A mild all purpose cleaner that combines detergent and wetting agents coupled with a phosphoric acid base. Eliminates rust, lime, organic deposits and offensive odors from wash basins, bath tubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls and urinals.

When used as directed, product demonstrates effective disinfection against Staphylococcus aureus and Salmonella choleraesuis. Efficacy tests have demonstrated it to be an effective one-step bowl/tile/porcelain cleaner/disinfectant in the presence of organic soil (5% blood serum).

Recommended for use in commercial or industrial buildings, hotels and motels.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To clean & disinfect toilet bowls, remove water from bowl by forcing over trap with applicator. Remove excessive water from applicator by pressing it against the side of bowl. Pour 1 oz. on applicator. Clean entire unit, especially under rim at water outlets. Allow to remain 10 minutes. Flush and rinse out applicator.

To clean & disinfect urinals, pour 1 oz. on top and apply or squirt directly onto surface. Allow to remain 10 minutes. Flush and rinse out applicator. A preliminary cleaning is necessary for the removal of gross filth prior to disinfection.

To clean wash basins, bath tubs, shower stalls, drinking fountains, tile, porcelain enamel and stainless steel, always dilute with 3 parts water. Do not allow solution to remain on fixtures without immediate thorough rinsing with water.
