TOTAL.....	100.00%

**KEEP OUT OF REACH OF CHILDREN  
DANGER**

### FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth to an unconscious person. Call a poison control center or doctor for further treatment advice. **Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

See side panel for additional precautionary statements.

EPA REG. NO. 8155-17

EPA EST. NO. 8155-OH-1

NET CONTENTS: ONE GALLON

MANUFACTURED BY: CANBERRA CORPORATION  
TOLEDO, OHIO 43615

This product is a low-foaming carpet shampoo formulated for use with extraction and carpet cleaning equipment. It contains "twin-chain" quaternary ammonium compounds to reduce the growth of gram-negative and gram-positive odor forming bacteria. It is fortified with odor counteractants to neutralize unpleasant malodors. Recommended for use on washable synthetic fibers, but not recommended for use on wool carpets. It removes greasy soil, leaves no residue to promote resoiling and eliminates soil re-deposition to vacuum pick-up tanks.

**DIRECTION FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**To Clean, Sanitize and Deodorize Carpets:** Vacuum carpet before cleaning. Mix two (2) ounces of product per gallon of water, inject and extract as you would other steam cleaning shampoos. For rotary floor machine, mix four (4) ounces of product per gallon of water. Spray carpet at rate of 200 – 300 square feet per gallon.

**Note:** Test color fastness of carpet before use. Apply diluted cleaner to a small concealed spot, then rub with a clean white cloth. If color transfers to cloth or changes, a water-based product should not be used.

After cleaning, set carpet pile in one direction with a stiff brush. Place aluminum foil under legs of furniture while carpet is drying. Over-wetting can cause shrinking of carpet. Manufacturer assumes no responsibility for over-wetting or misuse.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**DANGER** Keep out of reach of children. Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, protective clothing and rubber gloves. Harmful if swallowed. Wash thoroughly with soap after handling. Remove contaminated clothing and wash before reuse.

**FOR CONTAINERS 1 GALLON OR LESS:**

**STORAGE AND DISPOSAL**

Store in original container in areas inaccessible to children. Keep from freezing. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.

**FOR CONTAINERS OVER 1 GALLON:**

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep from freezing. Do not store on side. Avoid creasing or impacting of side walls.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label directions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse(or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**FOR CONTAINERS 5 GALLONS AND OVER:**

**Environmental Hazards**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System(NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
