AH

**KILLS HIV** on precleaned environmental surfaces/objects previously soiled with blood/body fluids in health care settings (Hospitals, Nursing Homes) or other settings in which there is an expected likelihood of soiling inanimate surfaces/objects with blood or body fluids, and in which surface/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1(HIV-1)(associated with AIDS).

**SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV ON SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS.**

**Personal Protection:** Disposable latex gloves, gowns, masks and eye protection must be worn when handling items soiled with blood or body fluids. **Cleaning Procedures:** Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this disinfectant. **Contact Time:** Leave surface wet for 10 minutes. **Disposal of Infectious Materials:** Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.

**PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals**

**DANGER: CORROSIVE.** Causes eye and skin damage. May be fatal if swallowed. Do not breathe vapor or fumes. Do not get in eyes, on skin or on clothing. Use with adequate ventilation. Wear goggles or face shield and rubber gloves when handling. Contains hydrochloric acid(CAS# 7647-01-0).

**CHEMICAL HAZARDS:** Never use with chlorine products. Can react to give chlorine gas. If this occurs, flush toilet to remove chemicals and leave area. Do not return for half hour. Ventilate if possible. Never use or mix with other cleaners or chemicals. Do not use on any surface that can be damaged by acid materials. Many surfaces are not resistant to acid.

**FIRST AID: IMMEDIATELY: EYES:** Rinse immediately with water. Quickly remove contact lenses, then flush eyes with water for 15 minutes. **SWALLOWED:** Rinse mouth. Drink a glassful of water or milk. Do not induce vomiting. **SKIN:** Remove affected clothing. Flush skin for 15 minutes. **THEN, CALL POISON CENTER OR PHYSICIAN AT ONCE.**

**STORAGE AND DISPOSAL**

Store in an area inaccessible to children. Do not reuse empty container. Wrap empty containers in plastic bag and discard in trash.
