THE CALVERT CHEMICAL CO. | 1920 LOSANTIVILLE AVE. | CINCINNATI, OHIO 45237

***as a swimming pool
chlorinator —***

Use one-half pint (one-cup) of HI-TEST
per 10,000 gallons of pool water, daily,
with additional treatments during periods
of heavy usage.

Test water frequently with a chlorine
test kit. Add only as much as is
needed to maintain a free chlorine
level of 1.0 ppm.

DIRECTIONS FOR USE
