Keep Out of Reach of Children. See right side panel for additional precautionary statement.

BASIC CHEMICALS INCORPORATED

Protective Coatings --- Sanitary Chemicals

2137 Sunset Road, Des Moines, Iowa 50303

Mailing Address: P.O. Box 685, Telephone Area Code 515 288-0231

This product is a concentrated non-phosphate detergent, disinfectant, sanitizer, fungicide and deodorizer. It is specifically designed for institutional use such as Hospitals, Nursing Homes, and Schools, where housekeeping will be of prime importance in controlling the hazard of cross-infection. Hard surface sanitization, when used as directed, can help in this control.

This product is for use on floors, walls and other hard surfaces in Hospitals, Nursing Homes, Hotels, Public Areas, Industrial Areas and in Institutions. It is excellent for Operating Rooms, Rest Rooms, Nurseries and Food Service Areas.

When used as directed, this product is effective against Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa. This product is also effective against pathogenic fungi, Trichophyton interdigitale.

If used for sanitization of food processing equipment or food contact items, limit the active quaternary to 200 ppm. At this level, no Potable Water Rinse is required.

DANGER – CORROSIVE

KEEP OUT OF REACH OF CHILDREN. Causes eye damage and severe skin irritation. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

COLD DISINFECTION

For disinfection of previously cleaned surgical instruments, barber tools and dental equipment, simply submerge instruments into solution containing 1½ ounce of this product per gallon of water.

RESTAURANT AND BAR RINSE

Dishes, glassware, silverware, cooking utensils, wash with soap or synthetic detergent; rinse thoroughly and immerse in a sanitizing solution containing 1 ounce of this product to 4 gallons of water. No Terminal Potable Water Rinse required.

DANGER

Keep Out of Reach of Children. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call physician immediately.

Rinse empty container thoroughly with water and discard.
