IMPORTANT EXAMINE CONTENTS FOR PROPER COLOR MATCH BEFORE APPLICATION

Valspar cannot assume responsibility for mis-matches or color variations after application

NOTE

Clear base ready for use only after the finishing colorant has been added

Directions For Use

Apply this product only as directed on this label. It is in violation of federal law to use this product in a manner inconsistent with its labeling.

1 Where to Use:

Exterior application only. Natural Semi-Transparent Oil Wood Stain and Preservative is a lightly pigmented wood stain especially formulated to permit the natural beauty and texture of the wood to show. It protects as it beautifies and can be used outdoors only on all new or bare wood surfaces such as Rough Sawn Siding, Shakes, Shingles, Fencing. Not for use on abraded plywood.

Clear finishes should not be applied as it will seal the surface, preventing stain recoating when necessary.

2 Prepare the Surface:

Ready-to-stain surfaces should be thoroughly clean and dry before stain is applied. Any dirt, dust, loose material should be removed. Do not prime. Natural Oil Wood Stain and Preservative is self-priming.

3 Applying the Product:

Mix thoroughly before and during application to insure a uniform finish. Stir with a circular lifting motion. Stain only when temperature is above 40° F. and other conditions are favorable. Apply liberally as it comes from the can. Do not add thinners. Dries to touch in 3 to 4 hours. Clean applicators and tools with mineral spirits. Color will vary depending on type of wood and amount of stain used. Stain a test panel first to determine final color and appearance.

4 Spreading Capacity:

Up to 250-300 square feet per gallon, one coat depending on surface texture and porosity.

PRECAUTIONARY STATEMENTS — HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING! Keep Out Of Reach Of Children. Contains Petroleum Distillate. Harmful or fatal if swallowed. Do not use or store near heat or open flame.

Use only in well ventilated area. Do not breathe vapor or spray mist. Do not get in eyes, or on skin or clothing! Wear rubber gloves and protective clothing when applying or handling freshly treated lumber.

FIRST AID: If on skin, wash with soap and water. Remove and wash contaminated clothing before reuse. If in eyes, immediately flood with water several minutes. Call a physician. If swallowed, do not induce vomiting. Call a physician.

Environmental Hazards: This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of waste.

Physical or Chemical Hazards: Combustible product. Do not use or store near heat or open flame.

Storage and Disposal: Do not use or store inside the home. Do not reuse empty container. Wrap container and put in trash collection. Keep away from food and feed.
