**APPLICATION**  
Apply as directed. Mixing instructions are on the label. The mixing term is defined as the time from the time the material is applied to the time it is used. The surface to be painted should be clean, dry, and free of loose material. The surface should be clean, dry, and free of loose material. Spray application is recommended, however, application by roller is acceptable. When spraying, applicators must be adequately covered to preclude the possibility of eye or skin contact or inhalation of the spray mist. A full face, air supplied respirator is recommended. Similar precautions should be taken during mixing & for other workers within a 25 foot radius of the application. See Product Data Sheet for further details.

**WARRANTY STATEMENT:**  
Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

Your Submissions of December 6, 1982

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A), is acceptable, provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. Change rinse water to rinsate.
  - b. If the Precautionary Statements section appears on a side panel, add to the front panel the following statement:

See side panel for additional precautionary statements.
  - c. Delete "For General Use." This is inconsistent with the statement "For Commercial Use Only."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

-2-

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Richard F. Mountfort, *RFM*  
Product Manager (23)
