AGROX 2-WAY

DUAL PURPOSE INSECTICIDE —
FUNGICIDE SEED TREATMENT
(with graphite)

For the protection of germinating seeds and seedlings
against Seed Corn Beetles, Seed Corn Maggots, Damping-off,
Seed Decay and Seedling Blights
CORN, SOYBEANS, BEANS AND PEAS

Active Ingredients	%
Captan (N-(1-trichloromethyl-1H-4-cyclohexene-1,2-dicarboximide)	35.46
Related dithiobenzoates	2.04
*D, O diethyl P, O isopropyl-6-methyl-4-pyridyl-methyl-phosphorothioate	25.00
Inert Ingredients (contains graphite)	37.50
Total	100.00

*DIAZINON (Registered trademark of Ciba Geigy Chemical Corporation)

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals

WARNING: Treat outdoors or in a well ventilated place. May be fatal if swallowed. May be absorbed through skin. Do not breathe dust, vapor or fumes. Do not get in eyes or on skin or clothing. Wash thoroughly with soap and water after handling and before eating or smoking. Wear clean clothing. Do not contaminate feed or food. Do not use treated seeds for food, feed or oil purposes. Apply this product only as specified on the label.

FIRST AID

If swallowed: Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.
If inhaled: Remove victim to fresh air. Apply artificial respiration if indicated. If on skin: Remove contaminated clothing and wash affected areas with soap and water. If in eyes: Flush eyes for at least 15 minutes with water. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds, and other wildlife. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of water. Dispose of excess treated seeds by burial.

PRODUCT INFORMATION: AGROX 2way Dual Purpose Seed Treatment is a specially formulated combination of DIAZINON for protection against seed corn beetles and seed corn maggots and captan for protection against fungus diseases of seeds and seedlings.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Recommendations: Planter box application: Use on seed by mixing with the seed in the planter box at a rate of 2 oz/bushel (1 pouch/bushel).

For Seed Corn Beetles: While the above rate will provide some protection against Seed Corn Beetles, preliminary results indicate that 4 to 6 oz/bushel (2 to

3 pouches/bushel) may be more effective for protection against the Seed Corn Beetles.

Note: When starting with an empty planter box, place enough treated seed in the planter box to cover the bottom. Treat this seed in a separate container that can be destroyed. Add the remaining seed to the planter box and treat by thoroughly stirring with a paddle so that the seed is coated with seed treatment.

Note: Do not use on seed already treated with an insecticide other than malathion or methoxychlor for control of stored grain insects. Seed within one month of treatment. Regularly inspect planter plates and clean as required. If the seed treatment increases the friction between seeds sufficient to reduce the rate of delivery through a grain drill, 1 ounce of graphite per bushel of seed should be added as a drill lubricant. Adjust the seed drill to give the required rate of seed delivery with the treated seed.

Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time.

STORAGE AND DISPOSAL

Storage: Protect from excessive heat. Store in a cool dry place away from water, food and feed.

Disposal: Do not contaminate water, food or feed by disposal. Open dumping is prohibited. Dispose of empty containers in an incinerator or landfill approved for pesticide containers or bury in a safe place.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
