NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 8220-38."
 - b. An efficacy study must be submitted using an appropriate number of large dogs (greater than 40 lbs) within 13 months of the date of issuance of this registration. If the results of that study demonstrate that this collar does not perform effectively on large dogs, then the statement below must be added to the front panel and use directions for this product.

For use on dogs up to 40 pounds only.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: This collar is intended for use as an insecticide generator and is not to be taken internally by man or animals. Not intended for use by humans. Do not allow children to play with this collar. Wash hands with soap and water after handling collar. Do not use on sick or debilitated animals or dogs under 12 weeks of age.

Do not use other cholinesterase inhibiting insecticides on your animal while wearing collar. Some dogs may be sensitive to this collar. Remove at first sign of irritation or adverse reaction (muscular tremor, salivation, vomiting and/or diarrhea.)

The insecticide in this collar is a cholinesterase inhibitor.

Note to Physician/Veterinarian: Atropine only by injection ~~is anti-~~ dotal. Use only if symptoms of cholinesterase inhibition are present.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The Victory Veterinary Formula Collar contains Dursban® Insecticide, one of the longest lasting flea and tick killers available for use on dogs. This collar will reach its maximum effectiveness within 2 to 3 days after placing it on the dog and will continue to protect your dog against fleas for up to 11 months and ticks for up to 7 months.

Place Victory Veterinary Formula collar around dog's neck, buckle and adjust for proper fit. Cut off and dispose of excess length. The collar must be worn loosely so that two fingers can be placed between collar and dog's neck. If collar is worn too tightly, it may produce neck irritation. Fleas and ticks present in the dog's environment that may reappear on your pet will be killed by action of this collar. Collar's effectiveness is not diminished by normal wetting such as rainfall; however, it is suggested that collar be removed before bathing or swimming.

DISPOSAL: Do not reuse empty box, pouch or collar. Wrap in newspaper and put in trash collection.
