VICTORY VETERINARY FORMULA™

FLEA & TICK SPRAY FOR DOGS

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies under 3 months of age.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold Container Upright. Shake Well Before Using

This product will kill fleas up to 14 days and ticks up to 7 days on dogs.

Spray the dog from a distance of 8-12 inches. Start spraying at the tail, moving the sprayer toward the head, and ensuring sure that the dog's entire body is covered, including the legs and under the body. Fill in the fur as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

Spray at the rate of two seconds per pound of body weight for thin or short-haired dogs and up to eight seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

STOP-AGE: Store in a cool area away from heat and open flame.

DISPOSAL: Do not reuse empty container. Wrap container in several layers of newspaper and place in trash collection.
