

GENERAL INFORMATION: Snail and Slug Spray is especially designed for use in areas difficult to treat with dry baits or where snails and slugs can remain well hidden. It kills snails and slugs by contact. Kills snails and slugs that travel over treated areas.

Area or areas to be treated should be watered thoroughly just prior to application of Snail & Slug Spray. **DO NOT APPLY ON FOOD OR FEED CROPS.**

DIRECTIONS FOR USE: Dichondra and turf lawns, ornamentals, (Begonias, Dahlias, Daisies, Coleus, Geraniums, Iris, Marigolds, Pansies, Petunias, Primroses, Salvia), Shrubs and Ground Covers.

SHAKE WELL BEFORE USING: Mix two tablespoonfuls per gallon of water and apply to 200 square feet. If snails are an extreme problem, the amount used may be increased up to four tablespoonfuls per gallon of water.

For ease of application, use hose-end type applicator. Use two tablespoonfuls for each gallon of mixture delivered by your applicator and apply at the rate of one gallon to each 200 square feet of area to be treated.

WARNING: May be fatal if swallowed. Avoid contact with eyes and clothing. Avoid breathing spray mist. Avoid skin contact. In case of contact, wash immediately with soap and water. Avoid contamination of food and foodstuffs. Do not allow children or pets to play on treated area until residues have been washed off and into the ground. Protect contents from freezing. Do not store in direct sunlight. **DO NOT APPLY ON FOOD OR FEED CROPS.**

TIDOTE: Give a tablespoonful of salt in glass of warm water and repeat until vomit fluid is clear. Then give two tablespoonfuls of Epsom salts in water. Have patient lie down and keep warm. Give strong tea, coffee or one teaspoonful of aromatic spirits of ammonia in water. **CALL A PHYSICIAN IMMEDIATELY.**

This product is toxic to wildlife. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on label.

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established practice. The Buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
