## for Hospital and Institutional Use

Cross-infection is of major housekeeping concern not only in hospitals but in schools, institutions, and industry. SUPER BARCROBE DISINFECTANT CLEANER is formulated for this problem area. It both cleans and disinfects effectively when used as directed. Its hard surface disinfecting action will reduce the hazard of cross-infection.

Two ounces of SUPER BARCROBE DISINFECTANT CLEANER per gallon of water will deodorize bathrooms, garbage storage areas, and other areas where bacterial growth can cause mal odors.

## Directions for Use:

Apply SUPER BARCROBE DISINFECTANT CLEANER to walls, floors and other hard surfaces such as tables, chairs and bed frames with a cloth or mop. For heavily soiled areas, a preliminary cleaning may be required.

To insure accurate solution and portion control, this concentrate should be used with Barrier's One Stroke Dispenser. Each dispenser stroke (down and up) will measure out 1 ounce of concentrate per gallon of solution to be used. One oz. requires one stroke, two oz. requires two strokes.

For Hospitals and Nursing Homes: Add two ounces per gallon of water.

At two ounces per gallon use level, SUPER BARCROBE DISINFECTANT CLEANER is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, *Escherichia coli*, and pathogenic fungi. Germicidal performance against the first four organisms has been confirmed by the AOAC Use-Dilution Test. Fungicidal performance was determined against *T. interdigitale* by the AOAC Fungicidal Test.

For Schools, Institutional and Industrial Uses:  
Add one ounce per gallon of water.

At one ounce per gallon use level, SUPER BARCROBE DISINFECTANT CLEANER delivers excellent cleaning and is germicidal. It is effective against *Staphylococcus aureus*, *Salmonella choleraesuis*, *Escherichia coli*, and *Trichophyton interdigitale*, the athlete's foot fungus. The same AOAC tests used above to confirm suitable performance for hospitals were used.

Rinse empty container with water before discarding.
