INERT INGREDIENTS: 92.5%

TOTAL 100.0%

NET WEIGHT 25 POUNDS

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The preferred method of treating with Metro (tested) Thats-it Dry is to have the ground thoroughly watered before treating. Apply at anytime of day, although it is preferable to apply in late afternoon. Remember soil should be moist at time of application. Hold off watering for at least 48 hours after application if possible.

IN THE GARDEN: Broadcast or sprinkle lightly (like seeding with dichondra seed) Metro (tested) Thats-it Dry over infested area and along edges of flower beds adjacent to border of ground cover plants. Also apply on ground at base of fences and walls in shady locations.

ON DICHONDRA LAWNS: After watering lawn, broadcast or sprinkle Metro (tested) Thats-it Dry directly on the dichondra. One pound covers 2000 square feet. Do not water treated area for approximately 48 hours. Repeat treatments as necessary.

CAUTION: Keep out of reach of children and pets. May be harmful if swallowed, inhaled or absorbed through the skin. Do not take internally. Do not breathe dust, get in eyes, or skin or on clothing. Wash thoroughly after handling. Do not apply to edible portion of any food or feed crop. Keep pets off treated area. Do not allow animals to graze on treated plants. Granules of this product exposed on soil surface may be harmful to birds.

STORAGE & DISPOSAL: Store in locked storage area out of reach of children & domestic animals. Store in original container. Do not store near food or food products. Do not reuse bag or container. Wrap in several layers of newspaper & discard in trash.

WARRANTY: The manufacturer makes no warranties, expressed or implied, concerning this product or its use, beyond the directions on the label. All statements made concerning this product apply only when used as directed.
