METRO (TESTED)

THAT'S-IT DRY

"It Really Works"

KILLS SLUGS SNAILS

Active Ingredient:
 Metaldehyd† 7.5%

Other Ingredients: 92.5%

† CAS No. 108-62-3

KEEP OUT OF REACH OF CHILDREN
CAUTION

THIS PESTICIDE MAY BE FATAL TO CHILDREN AND DOGS OR OTHER PETS IF EATEN.
KEEP CHILDREN AND PETS OUT OF TREATED AREA.

FIRST AID:

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

See Side/Back Panel For Additional Precautionary Statements.

MANUFACTURED BY
 METRO BIOLOGICAL LABORATORY
 P.O. BOX 423, CYPRESS, CA, 90630

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMAL**

CAUTION: May be harmful if swallowed, inhaled or absorbed through the skin. Do not breathe dust, get in eyes, on skin or on clothing. If poisoning occurs, obtain prompt medical aid. Keep granules away from dogs and pets. Bait may be attractive to dogs.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow bait to contact the edible portions of any food crop.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store this product in original labeled container in a cool, dry, locked place out of reach of children. Keep container tightly closed when not in use. Do not store in direct sunlight.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

The preferred method of treating with Metro Tested That's-It Dry is to have the ground thoroughly watered before treating. Apply at anytime of the day, although it is preferable to apply in late afternoon. Remember, soil should be moist at time of application. Hold off watering for at least 48 hours after application, if possible.

IN THE GARDEN: Broadcast or sprinkle lightly (like seeding with dichondra seed) Metro Tested That's-It Dry over infested area and along edges of flower beds adjacent to border of ground cover plants. Also apply on ground at base of fences and walls in shady locations.

ON DICHONDRA LAWNS: After watering lawn, broadcast or sprinkle Metro Tested That's-It Dry directly on the dichondra. One pound covers 2000 square feet. Do not water treated area for approximately 48 hours. Repeat treatments as necessary.

CAUTION: Keep out of reach of children and pets. Do not apply to edible portion of any food or feed crop. Keep pets off treated area. Do not allow animals to graze on treated plants. Granules of this product exposed to soil surface may be harmful to birds.

WARRANTY: The manufacturer makes no warranties, expressed or implied, concerning this product or its use, beyond the directions on the label. All statements made concerning this product apply only when used as directed.
