Subject: Bissell Spray Disinfectant
EPA Registration No. 8284-6
Faxed Letter Dated July 27, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, to update your label, will be acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the amended label.

1. Move the "Ingredient" section from the back panel and place on the front panel. Refer to the enclosure, "THE LABEL" for proper formatting.
2. Revise the referral statement to read "See back panel for additional precautionary statements".
3. Revise your precautionary statements to read:

Precautionary Statements

Hazards to Humans and Domestic Animals

Warning. Harmful If Swallowed. Causes eye and skin irritation. Do not get in eyes. Avoid contact with skin and inhalation of spray mist. Avoid contamination of food and food utensils. In case of food contact, surfaces must be thoroughly scrubbed with detergent and rinsed with potable water prior to reuse.

4. Include a "Statement of Practical Treatment" statement to read:

Statement of Practical Statement

In case of contact, immediately flush eyes with water for at least 15 minutes. If irritation persists, get medical attention.
