## Bathroom Cleaner

SPRAY ON • WIPE OFF • CLEANS INSTANTLY

Cleans Disinfects. Odorless tile, chrome fixtures, exterior bowl surfaces, toilet seats, tub, basin, vanity tops, painted walls, woodwork and brass. Can be used as a general surface cleaner throughout the house. Prevents mold and mildew growth without rinsing. Shines without rubbing. Sprays into hard-to-reach areas easily. Leaves no gritty residue. Does not scratch. Dissolves bathtub ring.

### DIRECTIONS

- 1 Shake well before using.
  - 2 Turn spray valve so arrow points to red dot.
  - 3 Hold can upright or upside down 6 to 10 inches from surface to be cleaned. When spraying upside down and spray stops, spray upright for a few seconds, then spray upside down again.
  - 4 Allow foam to soak out. Wipe off with a clean cloth or sponge. No rinse needed.
  - 5 When using on chrome, rinse with water to obtain a bright shine.
- FOR USE TO PREVENT MOLD AND MILDEW**
- 1 Spray surface until moist.
  - 2 Repeat application in 14 days to maintain control.
  - 3 Boat hulls - in dry dock only.
