

HANDY FOG

QUICK KNOCKDOWN THERMAL FOGGING INSECTICIDE

APPLICATION DIRECTIONS

DO NOT DILUTE — USE AS IT COMES FROM THE CONTAINER

For more effectiveness:

1. Treat shrubbery and vegetation where mosquitoes may rest. Shrubby and vegetation around stagnant pools, marshy areas, ponds and shore lines may be treated. Application of this product to any body of water is prohibited.
2. Fog only after sunset in the evening, during the night, and before sunrise in the morning.
3. Wind velocity should not exceed 5 mph.
4. Area to be fogged should always be downwind from the fogging unit.
5. Fog should be released at the rate of 8 gallons per lineal mile, i.e., if truck travels 5 mph, the fogging insecticide flow rate should be 40 gallons per hour. This results in an average dosage rate of 0.10 gal. of HANDY FOG containing 0.13 pounds of Malathion per acre for an effective swath width of 660 feet.

IMPORTANT:

For mosquitoes allow ample fogging time for each area so that the fog remains in the area a minimum of 10 seconds. For flies allow ample fogging time so that fog remains in area a minimum of 40 to 50 seconds.

Specifically formulated for outdoor mosquito control in LECO, DYNAFOG, LONDON & TIFA Thermal Foggers.

This premium grade ready-to-use fogging insecticide contains by volume 3% refined grade malathion and 3% lethane 384 in a petroleum distillate.

ACTIVE INGREDIENTS:

*Malathion	4.08%
Beta — butoxy beta'-thiocyano	1.70%
diethyl ether	
Petroleum Distillate	94.00%

INERT INGREDIENTS:

Total 100.00% by wt.

*0.0 — dimethyl dithiophosphate of diethyl mercaptosuccinate

CAUTION: KEEP OUT OF REACH OF CHILDREN

See other cautions on side panel

FOR APPLICATION BY

TRAINED PERSONNEL ONLY

CAUTION

Specifically formulated for outdoor use in Thermal Foggers. Do not use for general spray purposes. Be sure spraying equipment is thoroughly clean before use.

Harmful if swallowed. Avoid skin contact. Remove spillage from skin and clothing with warm water and soap. Wash after handling. Avoid breathing of dusts or spray mist.

Keep out of reach of children.

Avoid contamination of feed and foodstuffs.

Do not use on or allow fog to drift on food or food crops.

This product is toxic to fish, shrimp, crabs and other wildlife. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

"This product is highly toxic to bees exposed to direct treatment of residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

Do not re-use container. Perforate or crush and bury in a safe place away from water supplies.

Keep container closed and store in a cool place. DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

NOTICE

Seller's guarantee shall be limited to the terms of the label, and subject thereto, the buyer assumes any risk to persons or property arising out of use or handling, and accepts the product on these terms.
