TPTH TECHNICAL

FOR FORMULATION INTO END-USE FUNGICIDE PRODUCTS INTENDED
FOR USE ON PECAN TREES, CARROTS, POTATOES, AND SUGAR
BEETS, OR INSECTICIDE PRODUCTS INTENDED FOR USEAS CERTIFICATION OF SPIDER MITE SUPPRESANTS.

INGREDIENTS

ACTIVE INGREDIENT: (Z by weight)

Triphenyltin hydroxide

INERT INGREDIENTS:

47

KEEP OUT OF REACH OF CHILDREN

DANGER

STATEMENTS OF PRACTICAL TREATMENT

IF INHALED: Remove victim to fresh air. If not breathing, give

artificial respiration, preferably mouth-to-mouth.

Get medical attention.

IF ON SKIN: Wash with plenty of soap and water.

IF IN EYES: Flush with plenty of water. Call a physician.

IF SWALLOWED: Do not induce vomiting. Drink promptly a large quantity

of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a

physician or Poison Control Center.

See Side Panel for Additional Precautionary Statements.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Fatal if inhaled. Corrosive, causes irreversible eye damage. May be harmful or fatal if swallowed or absorbed through the skin. Do not get in eyes, or on skin. Do not breath dust, vapor, or spray mist. When handling either products containing TPTH or spray-diluted mixtures, wear protective clothing (long pants, long sleeve shirt, impermeable gloves, hat, boots, and a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational Safety and Health). When handling the concentrated products, wear a face shield. Wash thoroughly with soap and water after handling and before eating or smoking. Remove contaminated clothing and wash before reuse. Do not enter treated areas for at least 24 hours after treatment.

The United States Environmental Protection Agency has determined that triphenyltin hydroxide causes birth defects in laboratory animals. Exposure to triphenyltin hydroxide during pregnancy should be avoided.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and wildlife. Do not apply directly to water or wetlands unless this product is specifically identified and addressed in a NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Do NOT use or store near heat or open flame. Store in locked area away from food, feed or fertilizer. If container is damaged or leaking, call (201) 231-2244 for specific instructions.

Do NOT contaminate water, food or feed by storage or disposal.
PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rincate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Wast representative at the nearest EPA Regional Office for guidance.
CONTAINER DISPOSAL:

Fiber carton with liners or bags: Completely empty liner or bag by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of liner or bag in a sanitary landfill, or by incineration if permitted by State and local authorities. Dispose of carton in the same manner.

LABEL AND TECHNICAL INFORMATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Labeling of products formulated from TPTH Technical must conform to the Registration Standard on Triphenylta: Hydroxide and any other regulations that may issue. For up-to-date information, contact American Hoechst Corporation, (201) 231-2630 or the Environmental Protection Agency. Any variance from the federally registered labeling for products containing TPTH Technical will have to be supported by data provided by the formulator.

Detailed information on chemical and physical properties and other formulation recommendations for TPTH Technical are available from the Regulatory Affairs Department at American Hoechst Corporation, (201) 231-2630. Obtain this information before undertaking the formulation of TPTH Technical in order to avoid formulation hazards and insure a satisfactory finished product.

IMPORTANT NOTICE: DISCLAIMER

Read "IMPORTANT NOTICE: DISCLAIMER" before buying or using. If terms are not acceptable, return at once unopened. AMERICAN HOECHST CORPORATION warrants only that the product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with the directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions or under abnormal conditions, or under conditions not reasonably forseeable to AMERICAN HOECHST CORPORATION, and user assumes the risk of any such use. AMERICAN HOECHST CORPORATION MAKES NO OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR OF MERCHANTABILITY. In no case shall AMERICAN HOECHST CORPORATION be liable for consequential, special, indirect or incidental damages resulting from the use or handling of this product. The foregoing conditions of sale and warranty can be varied only by an agreement in writing signed by a duly authorized representative of AMERICAN HOECHST CORPORATION.
