DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

Regular use keeps toilet bowls sparkling white. For use for brightening colored toilet bowls. Flush with plenty of water after use. For use on septic tanks.

DISINFECTION AND DEODORIZATION - For use on toilet bowls. Direct the thick liquid from the nozzle under the rim, on the sides, and into the water. Wash thoroughly, allow to remain 10 minutes, then flush with a brush in fresh water after use.

TO REMOVE STUBBORN STAINS - For use on toilet bowls. Follow directions above. Then apply more product to the stained areas. Let stand at least 15 minutes, then flush. Repeat if necessary.

BATHROOM: Great for cleaning and disinfecting tubs, showers, and tiles. Leaves everything bright and sparkling. For odor-causing household germs. Use full strength where odors are a problem.

MILDEWSTATIC PERFORMANCE - For use on walls, ceilings, and floors. OCEAN FOAM will effectively remove mold, mildew, and the odors caused by them. When applied to hard, non-porous surfaces, it will kill mold and mildew to dry on surface and repeat weekly. When used on growth returns. For use on plants, use diluted solution. Before use of this product, all plants and other living materials must be removed from the area. The area must be thoroughly rinsed with clean water.
