 DCP (as salt) 1.00%
 Methyl Silvex 1.00%
 Total Herbicide 3.00%

WEED & FEED

Feeds grass, kills weeds, controls Dandelion, Plantain, Thistles, Wild Morning Glory, Mallow, Wild Mustard

INSTRUCTIONS

For continuous weed free sparkling green lawns apply near Memorial Day, July 4th and Labor Day.
 Weeds are easiest to kill when temperature is 70° F. or higher.
 Do not sow grass seed for at least one week after applying. Do not spread on new lawns until after two mowings.
 Do not apply on ivy, trees or broad leaf ground covers. Do not apply to St. Augustine, Carpet grass, Bentgrass and Dandelion.
CAUTION: Store away from seeds, lung rifles, insecticides and other fertilizers. In application avoid drift onto desirable plants, shrubs and flowers. Clean spreader thoroughly after application and avoid contact with skin, eyes or clothing. Excessive applications are wasteful and could be harmful. In case of contact flush with abundance of water. For eyes, get medical attention.

DESTROY CONTAINER WHEN EMPTY.
