Dudley, MA 01571

Subject: FS 102 Sanitizer & Udderwash
EPA Registration No. 8405-3
Application Date: March 10, 2006
Receipt Date: March 10, 2006

Dear Mr. Ruggeri:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended to update the First Aid section per PR Notice 2001-1, is acceptable.

General Comments

A stamped copy of the labeling is enclosed. Submit one copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please call Wanda Henson at (703) 308-6345.

Sincerely,

Emily H. Mitchell
Product Manager - Team 32

Dudley, MA 01571

Disinfectants, liquid, corrosive, n.o.s.
(Phosphoric acid), 8, UN 1903, PG III

NET CONTENTS:

TABLE OF DILUTIONS

1 ounce FS-102 to 2½ U.S. gallons of water = 50 ppm Titratable Iodine

¼ ounce FS-102 to 2½ U.S. gallons of water = 25 ppm Titratable Iodine

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR WASHING AND SANITIZING UDDERS:

1. Prepare the udder washing solution in a plastic pail (do not use tin or galvanized pails).
2. Use FS-102 in warm water, 110 to 115°F.
3. Just before application of the milking machine, wash and massage the teats and udder with this solution, using a paper towel which has been soaked in the solution.
4. After washing and massaging the udder, press the excessive solution from the towel and use the reverse side to dry the teats and the udder.
5. Use a clean towel for each cow.
6. Check udder for abnormal milk before applying milking machine.
7. Sanitizing teat cups for a period of two minutes in a solution of 25 ppm Titratable Iodine can be of significance in your sanitation herd health program.
8. Discard udder washing solution when the color fades noticeably or when it becomes visibly dirty. Make fresh solution each time used.

FOR CLEANING AND SANITIZING STAINLESS STEEL SURFACES ON DAIRIES AND DAIRY FARMS

1. Remove soil by a pre-rinse, or pre-scrape and, when necessary, pre-soak treatment.
2. Thoroughly wash milkhouse equipment using ¼ oz. of FS-102 to each 5 gallons of warm water, 110° to 115°F.
3. Rinse with clean water.
4. Sanitize using a solution of ¼ oz. of FS-102 to 5 gallons of water. All utensils must remain immersed for at least 2 minutes or for contact time specified by governing sanitary code.
5. Place all sanitized utensils on rack or drain board and air dry.
6. Fresh sanitizing solution should be prepared at least daily or more often if the solution becomes diluted or soiled. Do not reuse solution for sanitizing.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage or disposal. Do not store on side. Avoid creasing or impacting of side walls.

DISPOSAL: FS-102 wastes are acutely hazardous. Improper disposal of excess FS-102 mixture or rinseate is a violation of Federal Law. If those wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office.

Triple rinse (or equivalent), then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product, contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

NOTE: This product is to be sold only in this original unbroken package.
