[8428-5]

KILLS ON CONTACT — Kills on contact: stored grain pests such as granary weevil, confused flour beetle, saw-toothed grain beetle, Indian meal moth.

SPACE SPRAY — For general use, direct the spray toward the upper portion of the container. Residual activity will linger after application.

ROGGING — For robbing, use a stream of spray at a distance of 25-30 feet. It is safe for the operator and the grain.

WATERBUGS — For waterbugs, spray the water surface. It is safe for the operator and the water.

ROADS, WATERBUGS AND SILVERFISH — For roads, waterbugs and silverfish, spray the water surface. It is safe for the operator and the water.

CAUTION — Do not spray on the ground. Do not spray on the face. Do not spray on the eyes. Do not spray on the mouth. Do not spray on the nose. Do not spray on the ears. Do not spray on the hair. Do not spray on the skin. Do not spray on the clothing. Do not spray on the furniture. Do not spray on the walls. Do not spray on the ceiling. Do not spray on the floor. Do not spray on the stairs.
