**LIQUID TOILET BOWL CLEANER**

Kills household germs. Stops odors. Removes stubborn stains, even rust and hard-water marks. Leaves the bowl with a clean, fresh fragrance. Safe for white and colored bowls. Will not harm septic tanks.

*To use*—aim directional spout under bowl rim and squeeze bottle, covering entire rim and sides of bowl. Squeeze small amount of SNO BOL on brush, swishing around rim and bowl. Flush bowl immediately. For bowls badly discolored from lime or rust, remove water from bowl and brush out with 4 to 8 oz. of SNO BOL.

*For flush boxes*—shut off water pressure and flush to empty tank. Squeeze SNO BOL on brush or mop to clean tank.

*For ceramic tile, earthenware and glass*—wearing rubber gloves, dampen a cloth with SNO BOL. Wipe off discoloration, then wash with soap and water. Test a small area, then do a small area at a time.

*To disinfect*—remove water from bowl by forcing over trap with mop. Cover all surfaces of bowl interior with SNO BOL. Brush thoroughly and flush.

**DANGER CORROSIVE** Keep out of reach of children. May be fatal if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin, or on clothing. **ANTIDOTE: INTERNAL**—Call a physician immediately. Drink a teaspoonful or more of magnesia, chalk, or small piece of soap, softened with water in milk or raw egg white. **EXTERNAL—Eyes**—Wash with water for 15 minutes. Get prompt medical attention. **Skin**—wipe off the acid gently. Immediately flood the surface with water, using soap freely. Then cover with moist magnesia or baking soda. **CAUTION: SNO BOL contains hydrochloric acid. Do not use on bathtubs, washbowls, other enamel surfaces, chrome, or set bottles on these fixtures. DO NOT MIX WITH CLEANSERS, bleaches, or other chemicals. Rinse empty container thoroughly with water and discard it.**
