 Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, registered under EPA Reg. No. 8450-10

SNO BOL

LIQUID DISINFECTANT TOILET BOWL CLEANER

KILLS HOUSEHOLD GERMS, INCLUDING STAPH IN BATHROOM BOWL.
 Stops odors. Removes stubborn rust and hard water stains. Leaves fresh clean fragrance. Safe for white and colored bowls. Will not harm septic tanks.

Directions: Point arrow away from you when opening or closing cap. After opening the cap, point the top of the bottle down into the bowl. Squeeze gently in order to determine the direction of the spray. Brush entire bowl, especially under the rim, the hard water ring and below the water line, then flush.

For badly discolored bowls, remove water from bowl and brush out with 4 to 8 oz SNO BOL. For flush boxes, shut water pressure off and flush to empty tank. Squeeze SNO BOL on brush or mop to clean tank.

To Disinfect: Remove water from bowl. Cover all surfaces of bowl interior with SNO BOL. Brush thoroughly and flush.

DANGER CORROSIVE: Keep out of reach of children. May be fatal if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin or clothing.

FIRST AID: INTERNAL: Do not induce vomiting. Call a physician immediately. Drink a teaspoonful or more of milk of magnesia, chalk suspension or small piece of soap softened with water in milk or raw egg white.

EXTERNAL: Eyes: Wash with water for 15 minutes. Get prompt medical attention. Skin: Flood the surface with water. Then cover with moist naphtha or talc. Then cover with moist naphtha or talc. **CAUTION:** Contains 1 drop of chlorine and do not use on gut, up, washbowl, other enamel surfaces, chrome, counter top, or set bottles on these fixtures. **DO NOT MIX WITH CLEANSERS, bleaches, or other chemicals.** Do not reuse empty container. Discard in removable trash collection.
