

[8486-4] 2 of 2

KILLS HOUSE FLIES, MOSQUITOES AND CERTAIN OTHER FLYING INSECTS.
FOR USE AS A SPACE SPRAY FOR CONTROL OF CERTAIN FLYING INSECTS.
THIS SPRAY IS PARTICULARLY SUITABLE FOR USE INSIDE OF BUILDINGS.

CAUTION

Harmful if swallowed. Keep out of the reach of children. Do not use or store near heat or open flame. Avoid contamination of foodstuffs. Repeated or prolonged contact with skin may cause toxic symptoms, avoid inhalation or skin contact. In case of spillage, or contact with skin, wash with soap and water and change contaminated clothing. Do not remain in treated areas and ventilate treated areas after treatment.

Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product as a space spray in these areas, apply only when plant is not in operation.

DIRECTIONS

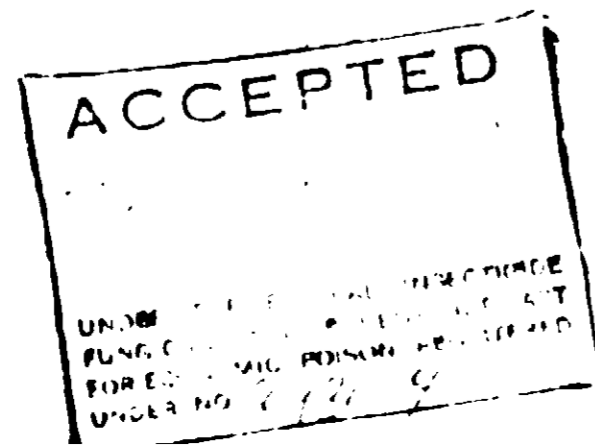

This is a ready to use space spray for use in hand operated or power operated spraying and misting devices. Before using this spray, be sure to remove birds and fish from the area to be treated as well as other cold blooded pets and animals. Close the rooms to be treated during treatment and for 10 to 15 minutes afterwards.

For the control of certain flying insects, this spray should be applied in the form of a fine spray or mist and the spray should be directed upward toward the ceiling to permit the spray to reach the insects in the upper regions of the area to be treated. Rotate the direction of the spray in all directions and upward to obtain good coverage. Repeat applications as necessary.

GENERAL FISH, WILDLIFE AND ENVIRONMENTAL CAUTIONS

This product is toxic to fish. Keep out of lakes, streams and ponds. Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning (KEEP OUT OF SMOKE)
