AND POLLUTION PREVENTION

Mardel Belotinsky
Soil Chemicals Corporation dba Cardinal Professional Products
P.O. Box 782
Hollister, CA 95024-0782

APR 19 2012

Subject: Pic-Clor 15
EPA Reg. No. 8536-21
Agency Initiated Action
Decision number 463977

Dear Ms. Belotinsky:

In the Agency letter of December 21, 2011, the Agency approved amended labeling for this registration with the condition that specific label revisions be made to the December 21, 2011 label stamped "Accepted with Comments". This letter further amends the December 21, 2011 label stamped "Accepted with Comments" by requiring one revision to the December 21, 2011 letter.

- Please disregard comment number 3 which states, "On page 2, replace the Precautionary Statements with the following language: 'DANGER. Fatal if inhaled or swallowed. Poisonous liquid and vapor. Corrosive. Liquid causes skin burns and irreversible eye damage. Do not breathe vapor or gas. Do not get in eyes, on skin or on clothing. Chloropicrin is readily identifiable by smell. Exposures to very low concentrations of vapor will cause irritation of eyes, nose and throat. Continued exposure after irritation occurs, or exposure to higher concentration may cause painful irritation or temporary blindness.'"

The label associated with this change has been previously stamped "Accepted with Comments" and is dated December 21, 2011. Submit one copy of the final printed label that incorporates the required change before the product is released for shipment. If you have any questions, please contact Andrea Mojica by phone at 703-308-0122 or via email at mojica.andrea@epa.gov or Mary Waller by phone at 703-308-9354 or via email at waller.mary@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mary L. Waller".

Mary L. Waller
