Harmful if swallowed.

Avoid inhalation of vapors and spray mist.

Do not use "70" Spray Oil E in combination with or immediately preceding or following applications of Dinitro compounds, Sulfur, Captan or Karathane.

**WARRANTY:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Any damages arising from breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

### DIRECTIONS

READ THESE ENTIRE DIRECTIONS AND WARRANTY OF SALE. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

**Mixing Directions:** Fill tank to cover agitator shaft with agitator running. Add desired amount of "70" Spray Oil E. Fill tank with water, adding other desired materials as tank is filling.

**Timing of Application:** Timing and rate of application vary as a result of local conditions. Consult your State Agricultural Experiment Station.

Do not exceed maximum rates or apply later than directed above.

**NOTE:** This pesticide is to be sold ONLY in the original unbroken package.
