## nt Oil

Spray only when temperature is above 40° F and there is no danger of freezing. To avoid crop injury do not use when temperature exceeds 90° F or in times of moisture stress.

**Ornamentals:** Do not use on Douglas Fir, Sugar and Japanese Maple, Beech, Birch, Hickory, Walnut or Butternut. Oil will remove blue color from glaucous bearing plants (Blue Spruce)

**Timing of Treatment:** See label for general use. Consult your State Agricultural Experiment Station or State Extension Service Specialist for a proper timing to fit local growth and climatic conditions.

**DO NOT EXCEED MAXIMUM RATES OR APPLY LATER THAN RECOMMENDED**

**DISCLAIMER:** Buyer assumes all risks of use, storage or handling not in strict accordance with directions given herewith.

**NOTE:** This pesticide is to be sold ONLY in the original unbroken package.

### STORAGE & DISPOSAL

Store unused product in original container only. Store in a cool, dry area, preferably locked and out of reach of children.

Do not reuse empty container. Wrap container and put it in trash collection.
