PHYGON* 50W

DIRECTIONS:

READ THESE ENTIRE DIRECTIONS AND WARRANTY OF SALE. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

DO NOT USE PHYGON WITH MIXTURES CONTAINING OILS. Phygion is compatible with wettable powder forms of insecticides and fungicides commonly used in orchards, but should NOT be used with lime, Bordeaux, phenyl mercuries, or oil sprays. Do not use later than first cover time.

Phygion is a fungicide useful in controlling scab on apples, and brown rot blossom blight on peaches and cherries.

Consult State Agricultural Experiment Station or State Extension Service Specialist for latest information on timing of spray applications and varietal responses.

APPLES — For scab control, use 1/2 lb. per 100 gals. of spray mixture on a protective schedule (ahead of infection periods) from delayed dormant through calyx or first cover. For emergency eradication of scab (up to 48 hours after an infection period begins) use 1/2 lb. per 100 gals. spray. Do not use within 1 day of harvest.

PEACHES — For brown rot blossom blight control, use 1/2 lb. per

100 gals. of spray in pink, full-bloom, and pre-shuck fall sprays. As a pre-harvest spray, use 1/2 lb. per 100 gal. at 14 and 7 days before harvest. Do not use within 7 days of harvest.

CHERRIES — For brown rot blossom blight control, use 1/2 lb. per 100 gals. of spray in "pop-corn", full-bloom, and petal-fall sprays. Do not use within 3 days of harvest.

Phygion may be added directly to the water in the spray tank.

WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.
