

FOR:

Label Copy - Agway Booster 100 Oil E

DATE:

12/4/67

(((REAR PANEL)))

CORN EARWORM CONTROL: For use with DDT to aid in control of corn earworm.

Rate: Use 3-4 quarts of Booster to each 100 gallons of spray containing DDT. See DDT label for rate, timing, and directions. The addition of Booster will improve the penetration of the spray on the corn silk.

WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

NOTE: This pesticide is to be sold only in this original unbroken package.
