**DIRECTIONS**

**READ THESE ENTIRE DIRECTIONS AND WARRANTY OF SALE. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.**

Hold container at least 18 inches from foliage. Spray lightly in one-second bursts, covering top and undersides of foliage. Properly treated foliage will be protected from many garden insects for about 1 week. As a fungicide spray before infection occurs and spray at 5- to 7-day intervals while danger of

fungus infection persists. Do not use on Grapes within 1 day of harvest.

**CAUTIONS**

Do not spray closer than 18 inches. Do not spray near open flame. Keep out of reach of children and do not store above 120°F. Do not burn or puncture container. Do not use near fish bowls or aquariums. Avoid breathing spray or prolonged or repeated contact with skin. Avoid contact with eyes. Avoid contamination of feed and foodstuffs. Wash hands thoroughly after use.

This product is toxic to fish and wildlife. Do not contaminate any body of water. Do not reuse empty container. Destroy it by burying with wastes.

**WARRANTY:** Seller warrants that product conforms to its label description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

**NOTE:** This pesticide is to be sold ONLY in this original unbroken package.
