100%

CAUTION: KEEP OUT OF REACH OF CHILDREN.

See additional cautions and warnings on this panel.

CAUTION: May cause irritation of nose, throat, eyes and skin. Do not breathe dust. In case of skin contact, wash with water; for eyes, wash copiously with water and get medical attention. Do not remove containers. Destroy by boiling with wastes.

Contamination of fish-bearing waters with this product may harm fish.

IMPORTANT: Keep away from fire and sparks. Store in a cool, dry place. Do not allow to become wet or overheated in storage. This may bring on chemical changes which will impair the fungicidal effectiveness of Dithane M-45 and may also generate flammable vapors. Keep container closed when not in use.

DIRECTIONS

READ THESE ENTIRE DIRECTIONS AND WARRANTY OF SALE. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

SP 369

Dithane M-45 6D is a special fungicide dust formulation for application on whole or cut potato tubers for the control of Fusarium seed-piecer disease and seed-borne common scab.

Use 1 lb. of Dithane M-45 6D per 100 lbs. of whole or cut potato seed pieces. Apply the dust so that the entire surface of the seed piece is thoroughly covered by the fine active dust. Treated seed may be held for a week or longer at a low temperature and high relative humidity to aid suberization, or it may be planted immediately.

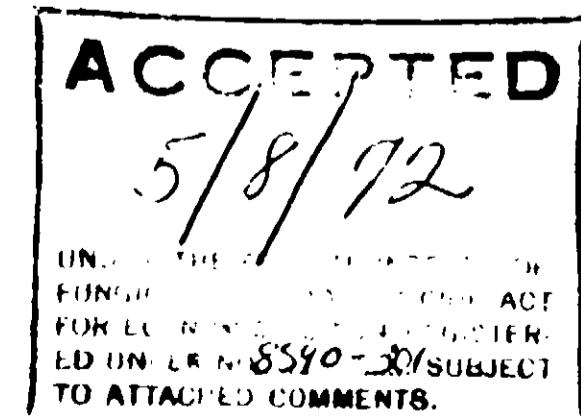

DO NOT USE TREATED SEED PIECES FOR FOOD OR FEED PURPOSES.

WARRANTY: Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this company nor any other warrant, claim, guarantee, or limit liability for particular purposes, express or implied, extend to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damage, such as loss of profits or values, etc.

NOTE: This pesticide is to be used ONLY in this original, unbroken package.
