DIRECTIONS

READ THESE ENTIRE DIRECTIONS AND WARRANTIES OF SALE. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

SHAKE BEFORE USE.

Place nozzle in a downward position and pull trigger down. Spray in a downward direction.

For flying insects: Spray with the nozzle and allow the drift to reach the insects. When treating crawling insects, start at least 4 feet away and spray in a downward direction. Do not spray directly on the crawling insects. Ants: Spray on the path. Spray infested portions of patios, porches, and other many insects and the surrounding areas of floors and chairs to repel crawling insects. Do not use on plants and trees.

WARRANTY - This product is warranted to be effective against the insects listed on the label when used in accordance with the directions on the label. If the product does not perform as warranted, a full refund will be given. This warranty is void if the product is used in any manner not specified on the label. The user assumes all liability for any damage or injury caused by the use of this product.

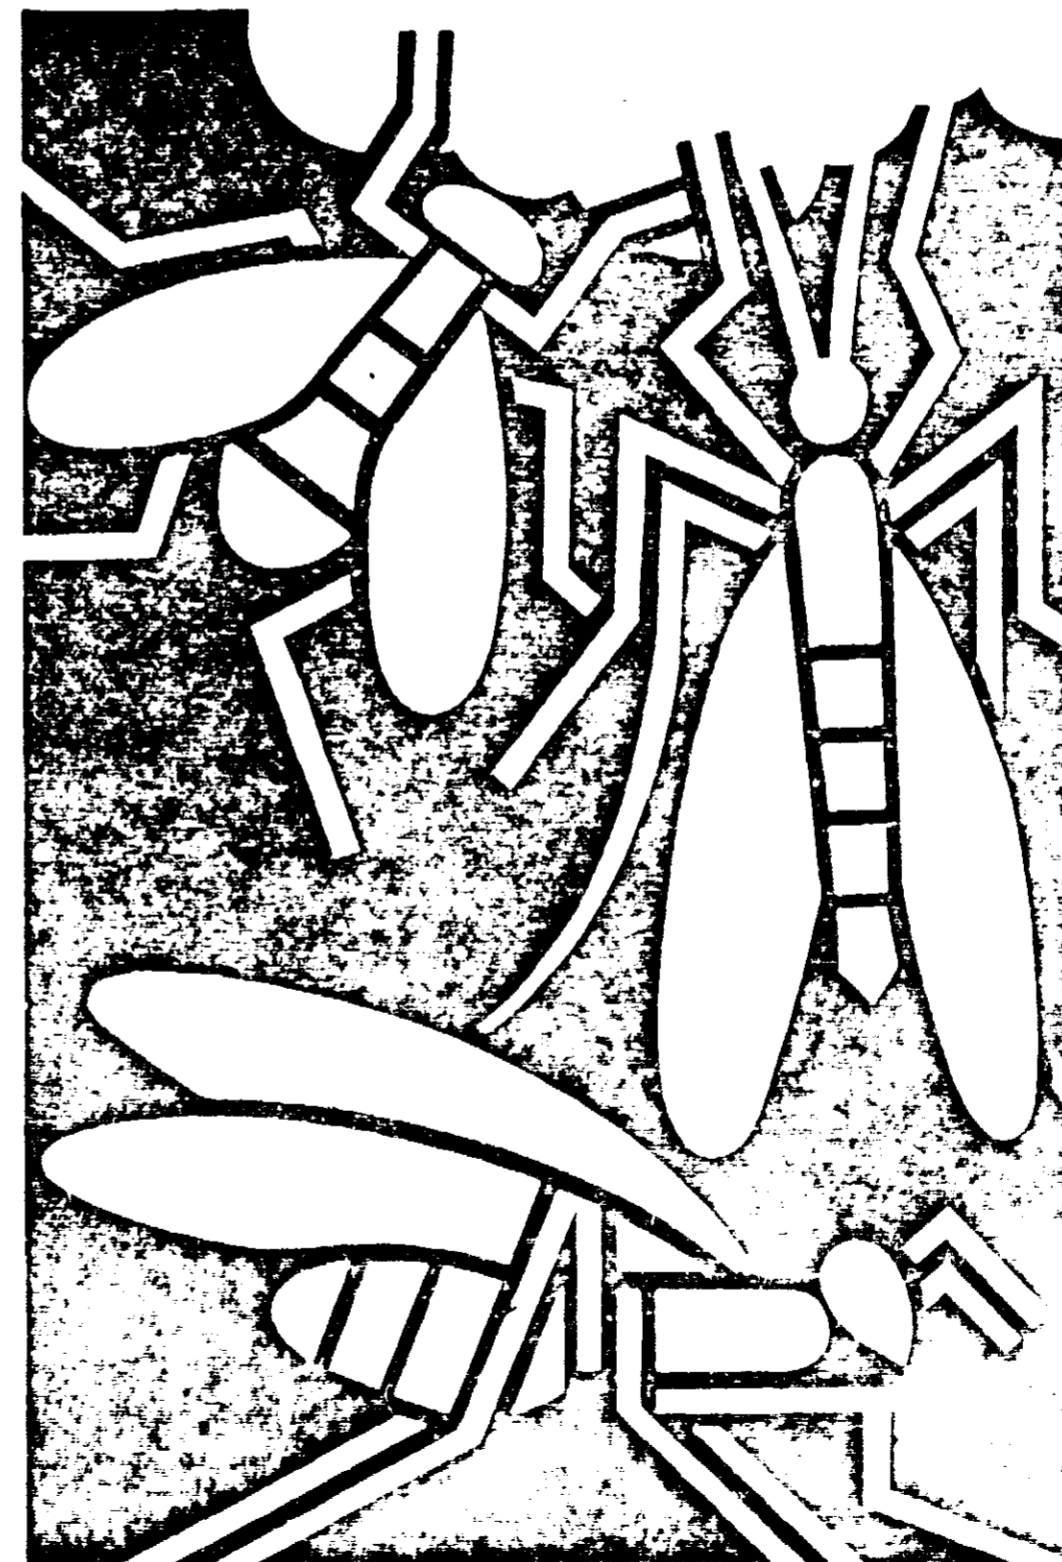

NOTE - This product is not intended for use on ornamental plants.
