INSTRUCTIONS

This product controls Dandelion, Plantains, Canada Thistle, Ground Ivy (Creeping Charlie), Pennywort, Common and Giant Ragweed, Chicory, Common Chickweed, Mouse-ear Chickweed, Red Clover, White Clover, Stitchwort, Knotweed.
For best results, apply when grass is moist from dew, rain or sprinkling. Apply when weeds are young and actively growing. Apply contents of this bag evenly to 5,000 square feet (50 x 100). For best results apply at temperatures above 60 degrees F., except Chickweed can be controlled at lower temperature. Do not mow or water for 24 hours after treatment. Watering will wash off weed killer. Grass seed may be sown 3 weeks after treatment. Repeat applications if necessary.

IMPORTANT:

Use only on established lawns (not pastures). Do not use on Centipede Grass, St. Augustine Grass, Bent Grass, Dichondra, desirable clovers and ground covers. Do not overapply. Do not apply to new lawns until after the third mowing. Do not store near and avoid contamination of foods, seeds, insecticides, fungicides, other fertilizers. Avoid drift to desirable plants. Vapors from this product may injure susceptible plants in the immediate vicinity. Do not contaminate water used for irrigation or domestic purposes. Do not apply in any manner not specified on the label.

PRECAUTIONARY STATEMENTS

Hazard to Humans: Harmful if swallowed. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling this product and before eating or smoking.
Environmental Hazard: Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

DISPOSAL: DO NOT USE EMPTY CONTAINER. WRAP CONTAINER AND PUT IN TRASH COLLECTION.
