

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

Use in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using.

Apply this product only as specified on this label.

**WARNING:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator.

### Directions

READ THESE ENTIRE DIRECTIONS AND DISCLAIMER. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

Use one can to treat up to 5000 cubic feet of space.

Remove any insect-proofing debris. Remove pets and tightly

cover or remove fish bowls or aquariums. Cover exposed foods, dishes or food handling equipment. Open any cabinet doors and drawers. Close doors and windows and shut off fans and air-conditioning. Put out all flames including pilot lights.

Place can on raised surface such as stand or table, with protective covering underneath to prevent possible marring of surface. With can at arm's length, press actuator button sideways, hooking the catch under the lip of the valve cup. Exit immediately. Keep area closed for 30 minutes. Do not remain in treated area and ventilate before re-occupying.

**DISCLAIMER:** Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
