

AGWAY THIRAM 75W

TURF FUNGICIDE

For the control of Dollar Spot, Brown Patch, and Snow Mold

ACTIVE INGREDIENT

Thiram (Tetramethylthiuram disulfide)

INERT INGREDIENTS

TOTAL

CAUTION: KEEP OUT OF REACH OF CHILDREN.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage, cleaning of equipment or disposal. Open dumping is prohibited.

Pesticide spray mixture or residue that cannot be used or chemically rendered should be disposed of in a landfill approved for pesticides or burned in a controlled area away from water supplies.

Dispose of in an incinerator or landfill approved for pesticide containers or in a safe place.

Consult federal, state, or local disposal authorities for approved alternative procedures such as limited open burning.

Agway Thiram 75W prevents infestation of lawns from Dollar Spot, Brown Patch, and Snow Mold if sprayed at regular weekly intervals throughout the summer season.

Agway Thiram 75W will control Dollar Spot and Brown Patch when applied at a higher dosage rate to turf already infested with these diseases.

Brown Patch, Dollar Spot

Preventive treatment. Apply in early spring before disease symptoms appear, then follow a regular 7 to 10 day spray schedule throughout the season. Use 1 to 3 oz. and apply in sufficient water to cover 1,000 sq. ft.

Curative (eradicator) treatment. At first sign of disease apply 4 to 5 oz. in water per 1,000 sq. ft. Repeat at 4 to 5 day intervals. When disease is controlled, follow the preventive spray schedule.

Snow Mold

Use 3 oz. per 1,000 sq. ft. applied immediately before expected permanent snow cover. If snow melts, make repeat applications following each thaw using 3 oz. per 1,000 sq. ft. If a white frost or application of 3 oz. per 1,000 sq. ft. is similar to snow mold.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

Agway Thiram 75W irritates eyes, nose, throat & skin. Harmful if inhaled or swallowed. Avoid contact with skin or clothing. Wash thoroughly after handling.

STATEMENT OF FIRST AID TREATMENT

In case of contact with exposed area of contact with water to prevent irritation. For eye contact, get medical attention.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not apply when runoff is likely to occur. Do not apply when weather conditions favor drift from treated area. Flow to or contaminate water by cleaning of equipment or disposal of wash.

Use of PAPER, Bag, or container of this product for storage or handling not in strict accordance with directions may be hazardous.

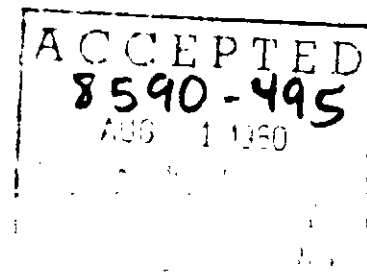

NOTE: This product should be stored only in the original unbroken package.
