PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS

CAUTION: Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin & eyes.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, do not induce vomiting since it should be done under medical supervision because of aspiration hazard. Call a physician immediately.

If inhaled, remove victim to fresh air. Apply artificial respiration if indicated.

If on skin, remove contaminated clothing & wash affected areas with soap & water.

If in eyes, flush eyes with water. Call a physician immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not spray directly to lakes, streams, ponds, inlet marshes & estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Store in original container, tightly sealed and out of the reach of children.

Do not reuse empty container. Wrap container and put in trash.

This insecticide may be used outdoors or in greenhouses throughout the entire growing season or as a preventive treatment when other insecticides are prohibited due to residue restrictions and use limitations.
