NAME OF PESTICIDE PRODUCT

Lorsban-Thiram 5-7.5G

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Agway, Inc.
Chemical Division
P.O. Box 4741
Syracuse, NY 13221

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 8590-665."

b. Revise your Environmental Hazards paragraph to read:

This product is extremely toxic to fish, birds and other wildlife. Do not apply directly to water. Drift and runoff from treated areas may be hazardous to aquatic organisms in adjacent aquatic sites. Cover or incorporate spills. Do not contaminate water by cleaning of equipment or disposal of wastes.

c. Revise your Storage and Disposal directions to read:

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

DATE

5/28/85

Store unused product in original container only. Store in a cool, dry area preferably locked and out of reach of children. Not for storage or use in or around the home. Protect from excess heat.

Pesticide Disposal

Wastes resulting from the use this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal

Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ONIONS (DRY BULB): Use this product to control onion maggot and onion smut by application as a row treatment at seeding. Apply the granules at the rate of 11.1 oz per 1,000 ft. of row at 18 - inch spacing by placing in the furrow at seeding. Incorporate the granules to a depth of 1 to 2 inches using equipment that will provide uniform distribution of the granules.

RESTRICTIONS: For use on direct seeded onions only. Do not make more than one application per year. Because of limited residue data the use of this product is restricted to Idaho, Michigan, Minnesota, New Jersey, New York, Ohio, Oregon, Washington and Wisconsin.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed. Do not take internally. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. Wash contaminated clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, Call a Physician or Poison Control Center. Drink 1 or 2 glasses of water & induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If on skin, Wash affected areas with soap & water. Get medical attention if irritation persists.

If in eyes, flush eyes with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Use with care when applying in areas frequented by wildlife or adjacent to any body of water. Do not apply directly to water. Treated granules exposed on soil surface may be hazardous to birds or other wildlife. Cover or incorporate granules which are spilled during loading. Incorporate granules visible on the surface in the turn areas.

STORAGE & DISPOSAL (12 pt)

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

Store unused product in original container only. Store in a cool, dry area preferably locked & out of the reach of children. Not for storage or use in or around the home. Protect from excess heat.

Pesticide that cannot be used according to label instructions must be disposed of according to applicable Federal, state or local procedures.

Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of bag in a sanitary landfill or by incineration if allowed by state and local
