

For control of microbiological growths (algae, fungi and bacteria) in industrial recirculating water cooling systems, such as industrial and commercial recirculating cooling towers, air washers and evaporative condensers.

KEEP CONTAINER TIGHTLY CLOSED WHEN NOT IN USE

DANGER

KEEP OUT OF REACH OF CHILDREN

(See other precautions and First Aid on the side panel)

DIRECTIONS FOR USE

NOTE: Add MOGUL AG-472 separately to the system. Do not mix with other treatment outside of the system.

For optimum performance, add MOGUL AG-472 at a point in the system where the product will be uniformly mixed. MOGUL AG-472 should be applied by the Intermittent (Slug) Method. Care should be exercised in handling. Refer to the HANDLING PRECAUTIONS.

Begin treatment when the system is in jeopardy of becoming affected or after cleaning systems whose efficiency is already impaired. Badly fouled systems must be cleaned before treatment is begun.

INTERMITTENT (SLUG) METHOD

INITIAL DOSE: When the system is noticeably fouled, add 2.5 - 25 fluid ounces of MOGUL AG-472 per 1000 gallons of water in the system (20 - 200 ppm). Repeat until control is achieved.

SUBSEQUENT DOSE: When control is evident, add 1.3 - 2.5 fluid ounces of MOGUL AG-472 per 1000 gallons of water in the system (10 - 200 ppm) once or twice a week, or as needed to maintain control.

INGREDIENTS

ACTIVE INGREDIENTS:

- n-Alkyl (60% C₁₄, 30% C₁₆, 5% C₁₂, 5% C₁₈)
- dimethyl benzyl ammonium chlorides. 25%
- Bis (tri-n-butyltin) oxide 5%
- INERT INGREDIENTS 70%

WEIGHT: 8.5 lbs./gallon
(1.02 kgs./liter)

EPA Reg. No. 8591-24

NOTICE:

The Mogul Corporation warrants that this product conforms to its description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions for use, but neither this warranty nor any other warranty of "Merchantability" or "Fitness For A Particular Purpose", express or implied, extends to the use of this product contrary to label instructions, or under conditions not reasonably foreseeable to The Mogul Corporation, and the buyer assumes the risk of any such use.

HANDLING PRECAUTIONS

DANGER

KEEP OUT OF REACH OF CHILDREN

CORROSIVE. HARMFUL OR FATAL IF SWALLOWED. MAY BE FATAL IF ABSORBED THROUGH SKIN. CAUSES EYE DAMAGE AND SKIN IRRITATION. AVOID CONTAMINATION OF FEED AND FEEDING PRODUCTS.

Do not get in eyes, on skin or on clothing. Wear safety goggles or face shield and rubber gloves when handling.

FIRST AID: In case of eye contact, flush with clean water for 15 minutes and seek medical attention. In case of skin contact, wash with plenty of water. If an eye irritation persists, seek medical attention. Remove and wash contaminated clothing before reuse. If swallowed, induce vomiting by sticking your finger down the throat or by giving soapy or strong salt water to drink. Repeat until vomit is clear. Call a physician if you give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal irritation. Do not contraindicate the use of gastric lavage. Measure respiratory shock, respiratory depression and hypotension may be needed.

This product is toxic to fish and wildlife. Effluent should not be discharged where it will pollute lakes, streams, ponds or public water. Do not pollute water by cleaning of equipment or disposal. Apply this product only as specified on this label.

WASH THOROUGHLY AFTER HANDLING

DO NOT REUSE EMPTY CONTAINER. REUSE BY PERFORMING OR CRUSHING BUT REUSE CARD IN A SAFE PLACE AWAY FROM CHILDREN AND SUPPLIES.

MOGUL AG-472

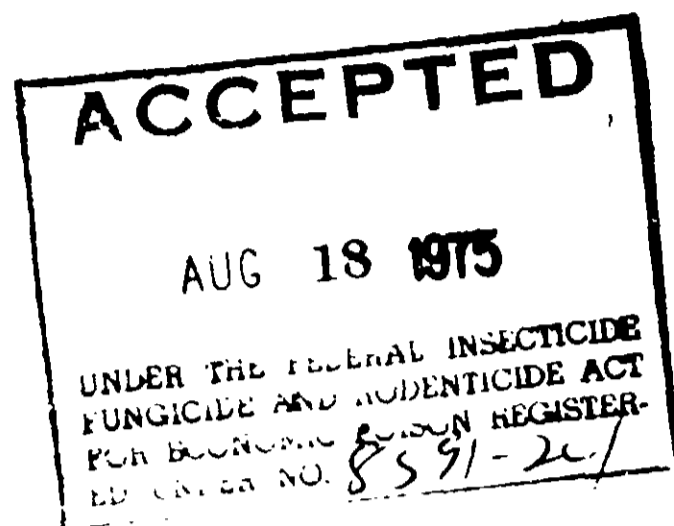

growths (algae, fungi and bacteria) in industrial recirculating water cooling systems, such as cooling towers, air washers and evaporative condensers.

KEEP CONTAINER TIGHTLY CLOSED WHEN NOT IN USE

FOR USE

Apply to the system. Do not over-apply to the system.

Mogul AG-472 at a point in the system will be uniformly mixed. Apply by the Intermittent (Slug) method in handling. Refer to the label for details.

System is in jeopardy of becoming fouled whose efficiency is already reduced. System must be cleaned before treatment.

APPLICATION METHOD

When system is noticeably fouled, add 1.3 - 2.5 lbs. Mogul AG-472 per 1000 gallons of water (1.3 - 2.5 m). Repeat until control is evident.

When control is evident, add 1.3 - 2.5 lbs. Mogul AG-472 per 1000 gallons of water in the system twice a week, or as needed.

HANDLING PRECAUTIONS

DANGER

KEEP OUT OF REACH OF CHILDREN

CORROSIVE. HARMFUL OR FATAL IF SWALLOWED. MAY BE FATAL IF ABSORBED THROUGH SKIN. CAUSES EYE DAMAGE AND SKIN IRRITATION. AVOID CONTAMINATION OF FEED AND FOOD PRODUCTS.

Do not get in eyes, on skin or on clothing. Wear chemical safety goggles or face shield and rubber gloves when handling.

FIRST AID: In case of eye contact, flush immediately with clean water for 15 minutes and get medical attention. In case of skin contact, wash with soap and plenty of water. If an eye irritation persists, get medical attention. Remove and wash contaminated clothing before reuse. If swallowed, induce vomiting by sticking finger down the throat or by giving soapy or strong salty water to drink. Repeat until vomit is clear. Call a physician. Never give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

WASH THOROUGHLY AFTER HANDLING

DO NOT REUSE EMPTY CONTAINER. DESTROY IT BY PERFORATING OR CRUSHING. BURY OR DISCARD IT IN A SAFE PLACE AWAY FROM WATER SUPPLIES.
