LEEDER 395-V G-I CLEANER

FOR ALL GENERAL INDUSTRIAL APPLICATIONS

Leeder 395-V G-I Cleaner is a new and highly effective general purpose cleaner. It has hundreds of uses where fast cleaning at low cost is required. It easily outperforms harsh alkaline cleaners for many jobs. Effective for building maintenance, for steam cleaning, for machine shop equipment cleaning, print shop use as well as hundreds of other applications.

FLOORS—Leeder 395-V G-I Cleaner **does not damage** floors not harmed by water. Asphalt, linoleum, rubber, vinyl, terrazzo, and concrete

Mopping—use 2 oz. per gallon (1/2 pint in 4 gallons). Apply with mop, laying down a uniform film. Two to three minutes contact time is ample. Pick up.

Wax Stripping—Use 1/2 pint per gallon of warm water. Apply with mop or machine, and machine scrub. Let the cleaner work for you for 3-5 minutes. Pick up and rinse. Use 1 1/2 pints per gallon of water. Next machine scrubbed. Let stand 10 minutes before picking up.

CAUTION:

KEEP OUT OF REACH OF CHILDREN

FOR ALL MAINTENANCE CLEANING

WALLS

Cleaning—Use 1/2 oz. Leeder 395-V G-I Cleaner per gallon of water (1/2 pint in 4.8 gallons) for ordinary wall washing. Increase concentration to 1/2 pint per gallon for heavy soils and grease.

UPHOLSTERY

Clean vinyl, leather and plastic with Leeder 395-V G-I Cleaner, diluted 1/2 pint per gallon. Spray or wipe on, agitate lightly and wipe off.

MACHINERY

Clean exterior of machines using Leeder 395-V G-I Cleaner diluted one part to 5-15 parts of water depending on amount of soil and grease to be removed. In the sump use 2-3 by volume in the soluble oil and water. Prolongs life of cutting oil, keeps oil sweet and emulsifies tramp oil and contamination in the sump.

LEEDER G-I is completely Non-Flammable
~~Safe on Metals~~ Economical
