

# ARLIS SCALEX™

Formulated to combat  
**SCALY-LEG  
and  
SCALY-LEG MITES**  
For use on  
**BIRD LEGS and FEET**  
Caution: Keep out of reach of  
children. Contents 0.95 fl. oz.  
The ARLIS Company

Active Ingredients	against
Scaly-leg mites:	
Thymol (0.5-Methyl-2-	
propylphenol)	55%
Beta-naphthol (Beta-	
hydroxynaphthalen-	15%
Saphthalene (Tar	
Camphor)	50%
Petroleum Hydro-	
carbons	32.50%
Inert Ingredients	66.00%
	100.00%

**CAUTION**—Inflammable mixture. Do not use near heat or open flame.  
Keep container closed when not in use.  
Keep this and all medicines out of the reach of children.

**DIRECTIONS:** Apply a small amount of SCALEX with a cotton swab or the fingers to the bird's legs and feet, rubbing in well, every day for 5 to 7 days. After about the 5th day the scales should come off easily with a little gentle rubbing. Any scaly-leg mites that may have been present are usually eliminated. Thereafter, use on the bird's legs and feet about 2 to 3 times a month.

**IMPORTANT**—Be sure the perches are kept clean. Rub the perches with SCALEX about twice a month to discourage the presence of mites.
