### CAUTION

#### DIRECTIONS FOR USE

This product is a Federal Law Pesticide. Use in accordance with its label.

**POULTRY LITTER:** Apply 1/2 ounce per 1000 square feet of litter. Mix with 1 gallon of water. Apply this solution to the litter.

**FEED:** Use 2 packets per ton. When used in feed, do not dilute.

**SILAGE STORAGE:** Remove all mold and grain from all interior surfaces of the storage areas. Mix 4 fluid ounces in one gallon of water. Apply this solution to 1000 square feet of surface storage areas.

**GRAIN STORAGE:** Remove all mold and grain from all interior surfaces of the storage areas. Mix 4 fluid ounces in one gallon of water. Apply this solution to 1000 square feet of surface storage areas.

**DRINKING WATER:** As a aid in the reduction of bacteria in processed drinking water for livestock and poultry, use 1/2 packet per 1000 gallons of water.

NET WEIGHT: 50 LBS (22.68 kg)

### STORAGE AND DISPOSAL

1. Pesticide Containers: Do not reuse. Do not dump. Do not burn.
2. Pesticide Disposal: Pesticide or insecticide that cannot be used or is no longer needed should be disposed of in a safe and approved manner.
3. Container Disposal: Do not reuse or equivalent and dispose of in a safe and approved manner.
4. General: Consult federal, state or local disposal authorities for approved alternative procedures such as incineration.
