 Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Kemin Industries, Inc.  
 2100 Maury St., Box 70  
 Des Moines, IA 50301

171 / S 463555  
 17 / A Heslie

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 8596-32".

b. Revise the label to read "Treated water must be contained in closed systems in enclosed areas. Do not contaminate surface or ground water by disposal or use. Dispose of treated water into a sewage treatment system only."

page 2  
EPA Reg. No.

3 . Submit five (5) copies of your revised final printed labeling before you release the product for shipment. Refer to the A 79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Janet Andersen, Acting Director  
Biopesticide and Pollution Prevention Division

Anne R. Leslie, 5/22/95, EPA Reg. #8596-32, Bio Savor (Lactic Acid)

## STORAGE AND DISPOSAL

Do not contaminate water or food by storage and disposal.

**PESTICIDE STORAGE:** Store in a warm, dry place above 40° F to prevent freezing.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

### DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**DRINKING WATER:** Use as an aid in the reduction of bacteria in processed drinking water for livestock and poultry. Use 0.25 to 2 fluid ounce per gallon of water. Use 0.5 fluid ounce under normal conditions. Use 1 to 2 fluid ounces when water contains high bacterial contamination.
