**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN AND DOMESTIC ANIMAL
CAUTION**

Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Avoid contamination of feed and foodstuffs. Foods should be removed or covered in such a way to prevent contamination. Food contact surfaces and equipment must be washed with an effective cleaning compound followed by a potable water rinse after using this product. Do not apply while food processing plant is occupied and in operation.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Consult your State's Fish and Wildlife agency before treating such waters.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Contact a physician or poison control center immediately. Do not induce vomiting unless directed to do so by a physician.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Wash affected areas with plenty of soap and water. Get medical attention if irritation persists.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This formulation is to be used undiluted in only such portable thermal applicator equipment that can deliver spray particle sizes within the aerosol size range.
