

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Keep out of reach of children. Harmful if swallowed. May be absorbed through skin. Avoid contamination of food and feed. Avoid inhalation of dust. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling and before eating or smoking.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. If possible vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician immediately.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION: Do not apply where children are likely to come in frequent contact with treated surfaces. Do not contaminate food, food container, or cooking utensils.

Before using Diazinon 2D, read and carefully observe the warning and notice statement and all other information appearing on the product label.

COCKROACHES (Waterbugs) Dust thoroughly all areas where roaches crawl and hide. Dust around waterpipes, in cracks and crevices, under and behind cabinets, refrigerators and sinks. Reapply as necessary.

DIAZINON® 2D

INSECTICIDE

FOR CONTROL OF HOUSEHOLD INSECT PESTS SUCH AS COCKROACHES, WATERBUGS, ANTS, SILVERFISH, SPIDERS, SCORPIONS, AND CARPET BEETLES

DIRECTIONS FOR USE (CONTINUED)

ANTS AND SILVERFISH: Dust thoroughly areas around waterpipes, in cracks, under and behind cabinets, refrigerators and sinks, and around doors, windows and bookcases. Reapply as necessary.

CARPET BEETLES: Dust along baseboards, under carpeting, rugs, furniture and wherever these insects are seen or suspected. Reapply as necessary.

SPIDERS AND SCORPIONS: Dust around windows, door and along baseboards. Make spot applications to surfaces over which these pests crawl, particularly in crawl spaces under houses or buildings. Reapply as necessary.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

PESTICIDE DISPOSAL. Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL. Plastic Containers: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

CONTAINER DISPOSAL: Paper Bags: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PESTICIDE STORAGE: Store in a cool dry place in such a manner as to prevent cross contamination with other pesticides, fertilizers, food and feed. Store in original container out of reach of children. Handle and open container in a manner as to prevent spillage. If material is spilled for any reason or cause, carefully sweep material into pile. Dispose of pesticide as directed above. Refer to precautionary statement on label for hazards associated with the handling of this material.

IMPORTANT

Seller's guarantee shall be limited to the terms of this label, and subject thereto, the buyer assumes any risks to person or property arising out of the use or handling and accepts the product on these conditions.

DEC 2 1986

Mr. Kevin Miller
B and G Company
P.O. Box 20372
Dallas, TX 75220

Dear Mr. Miller:

Subject: Amendment - Label Update
Diazinon 2D Insecticide
EPA Registration No. 8612-64
Your Letter Dated March 14, 1986

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. Please add a street address or Post Office Box along with the company name and city/State.
2. Add a statement in the Directions for Use section concerning the necessity for reapplication/interval of retreatment. It may be as simple as "Reapply as necessary."
3. Revise the Pesticide Disposal Statement to read "Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility."

Spiders and Scorpions Dust around windows, doors and along baseboards. Make spot applications to surfaces over which these pests crawl, particularly in crawl spaces under houses or buildings.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

For Plastic Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

For Paper Bags: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PESTICIDE STORAGE: Store in a cool dry place in such a manner as to prevent cross contamination with other pesticides, fertilizers, food and feed. Store in original container out of reach of children. Handle and open container in a manner as to prevent spillage. If material is spilled for any reason or cause, carefully sweep material into pile. Dispose of pesticide as directed above. Refer to precautionary statement on label for hazards associated with the handling of this material.
