DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DURSBANe;-D insecticide is a ready-to-use insecticidal dust which controls peets as indicated below. Apply directly into cre's and crevices or other localised areas with a bulbous duster or other suitable equipment. The amount of DURSBANE;-D to be applied will very, but should usually be in the range of 1/3 to 2/3 ounces per square yard.

Application Within Residential Buildings Including Hames and Apertment Buildings and Within Non-feed Areas of Industrial, Institutional and Commercial Buildings Including Hospitals, Stores, Manufacturing Ments and Warmhauses. For Spot Frestein Only - Apply as a light but uniform dust to localized areas where cockroaches (Including strains resistant to certain other insects. Ideal, ants, clover mises, crickets, firebrate, silverish and spiders are found or normally occur including dark corners of rooms and chosets, cracks and crevices in walls, along and behind beseboards, beneath and behind sinks, stoves, refrigerators and cabinets, around plumbing and other utility installations. For ants apply to ant trails, also around doors and windows and wherever else these pests may find entrance.

For control of carpet beetles, apply dust as a spot treatment along baseboards and edges of carpeting, under carpeting, rugs and furniture, in closets and on shelving, and wherever else these insects are seen or suspected.

For control of ticks and fleas, apply dust as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localised areas of their and floor covering where these peets may be present. Oid bedding of pets should be reamoved and replaced with clean, fresh bedding after treatment. DO NOT TREAT PETS WITH THIS PRODUCT. To control the source of flee infestation, pets inhabiting the treated premises should be treated with a product registered for application to animals.
