Mr. Daniel Paradiso, Jr.
The Andersons
201 4th Street
Sylacauga, AL 35150

Dear Mr. Paradiso:

Subject: Amendment - Revised Labeling and Confidential Statement
of Formula
Vertagreen® Lindane 25% Wettable Powder
EPA Registration No. 8660-53
Your Application Dated January 10, 1986 and June 25 1992

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. Add the following to the Statement of Practical Treatments:

IF IN EYES: Flush with plenty of water and get medical attention immediately.

2. Update the Environmental Hazards statement by changing "cleaning of equipment or disposal of wastes" to "when disposing of equipment was: waters".
3. To the Directions for Use add, "Do not mix with bare hands, use a paddle or stick in a planter box."
4. This product is for agricultural use thus the homeowner use statement and disposal statement must be deleted.
5. Qualify the last sentence in the warranty statement as follows:

Buyer assumes all risks of use storage or handling when not used in accordance with directions for use.

CONCURRENCES							
SYMBOL							
SURNAME	GA						
DATE	10/22/92						

Submit five copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

With regards to the Confidential Statement of Formula, the source of your active ingredient has been cancelled. Contact Rhone-Poulenc for the EPA Registration Number of a current source product. When submitting the revised CSF, also include the pH of the product or the pH at a specified water dilution.

Sincerely yours,

George T. LaRocca
Product Manager 13
Insecticide-Rodenticide Branch
Registration Division (H7505C)

VERTAGREEN®

LINDANE 25%

WETTABLE POWDER

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be fatal if swallowed. May be absorbed through skin. Do not breathe dust. Avoid contact with skin and eyes. Avoid contamination of feed or foodstuffs.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Exposed treated seed may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SEED TREATMENT

Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time.

WIREWORM IN CORN: Immediately before planting, treat seed corn with 25% Lindane Wettable Powder at the rate of 4 ounces per bushel of corn or 2 level teaspoonfuls per corn planter box. The seed and the Lindane should be thoroughly mixed; a small quantity of water (1/4 pint per bushel) may be added to aid in sticking the Lindane to the corn. Plant immediately after treating.

WIREWORM IN WHEAT, COWPEAS, SORGHUM AND SOYBEANS: Follow directions for treatment of seed corn except use 8 ounces per 100 pounds of wheat and other listed small grains.

PROTECTIVE CLOTHING FOR APPLICATORS: Applicators who apply this product manually or without the use of closed-system treatment procedure must wear the following protective clothing during the application process: long-sleeved shirt, long pants, gloves, and a disposable, paper dust mask which covers at least one-third of the face. This product should be applied in a well ventilated area.

STORAGE AND DISPOSAL

FOR HOMEOWNER USE ONLY:

Do not contaminate water, food or feed by storage and disposal. Keep container closed and away from food, feedstuffs and domestic water supplies. **PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash. **CONTAINER DISPOSAL:** Do not reuse bag. Discard bag in trash.

FOR PROFESSIONAL/COMMERCIAL USE ONLY:

Do not contaminate water, food or feed by storage and disposal. Keep container closed and away from food, feedstuffs and domestic water supplies. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate, is a violation of Federal Law and may contaminate groundwater. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for Guidance. **CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State or local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT

MANUFACTURER warrants that this product (1) conforms to the ingredient statement on the label and (2) is reasonably fit for the purposes set forth in the Directions for Use. EXCEPT AS SO WARRANTED, THE PRODUCT IS SOLD AS IS. MANUFACTURER MAKES NO OTHER WARRANTY EXPRESS OR IMPLIED.

The manufacturer's directions regarding use of this product are based upon tests believed to be reliable. All statements made concerning this product apply only when used as directed, under normal use conditions. FOLLOW DIRECTIONS CAREFULLY. Timing and method of application, weather and crop conditions, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the manufacturer. Buyer assumes all risks of use, storage or handling of this product.
